

Washington's Paramount Duty Candidate Questionnaire - 2018

Washington's Paramount Duty is a group of parents, teachers, and community members who fight to ensure our state's public schools are fully and equitably funded. We are asking all candidates for the state legislature in 2018, regardless of party, to respond to the following questionnaire. These responses will be made public and shared with our more than 7,000 members across the state.

There are 12 short questions below. You must give an answer for the questions themselves, and following each question is space for you to expand on your yes/no/maybe answers should you wish to do so. We will publish those additional comments along with your answers to the questions themselves.

Candidate Name

1) Do you believe our public schools are amply funded right now, as is required by the state constitution? *

- Yes
- No
- Maybe (explain below)

(Additional comments for question 1)

The reason I answered maybe is because the state supreme court has made the determination that we have met the constitutional requirements to fully fund education. I know, however, that in many cases, when dealing with homeless students, students with specialized needs, and students of color, we aren't providing sufficient resources for school districts. I am sure there are statistics in terms of testing performances and graduation rates that would uphold these statements.

2) Will you vote for new, progressive revenues to sustainably fund our public schools? *

- Yes
- No
- Maybe (explain below)

(Additional comments for question 2)

I am very much in favor of a state capital gains tax.
