

Washington's Paramount Duty Candidate Questionnaire - 2018

Washington's Paramount Duty is a group of parents, teachers, and community members who fight to ensure our state's public schools are fully and equitably funded. We are asking all candidates for the state legislature in 2018, regardless of party, to respond to the following questionnaire. These responses will be made public and shared with our more than 7,000 members across the state.

There are 12 short questions below. You must give an answer for the questions themselves, and following each question is space for you to expand on your yes/no/maybe answers should you wish to do so. We will publish those additional comments along with your answers to the questions themselves.

This is a big change. We need representatives who understand what is happening, who keep in contact with our educators, school boards, unions, and more so there are limited surprises. We also need to implement fixes quickly, when needed.

Thank you for filling out this questionnaire! Washington's Paramount Duty will let you know when we will be publishing these responses. Questions? Please email us at info@paramountduty.org.
