

# Washington's Paramount Duty Candidate Questionnaire - 2018

Washington's Paramount Duty is a group of parents, teachers, and community members who fight to ensure our state's public schools are fully and equitably funded. We are asking all candidates for the state legislature in 2018, regardless of party, to respond to the following questionnaire. These responses will be made public and shared with our more than 7,000 members across the state.

There are 12 short questions below. You must give an answer for the questions themselves, and following each question is space for you to expand on your yes/no/maybe answers should you wish to do so. We will publish those additional comments along with your answers to the questions themselves.

While according to supreme court decision in McCleary, the legislature has a plan to fully fund education by way of the prototypical schools model funding formula, what I am hearing from district administration is that those funding formulas are not necessarily ample. More work is needed to be done in this regard.
